## Year 13 Art students

### A-Level Fine Art

Fine Art is a form of communication and a means of expressing ideas and feelings. In this course you will develop your drawing, painting and digital media skills through a series of challenging and thought provoking projects to expand your visual language.

### How am I assessed?

The Fine Art A-Level course has two units of work that are assessed in Year 13.

Year 12 will be a foundation year made up of a series of projects following themes set by the tutor. These projects are structured to widen your understanding of the different disciplines of Fine Art at the same time as broadening you knowledge of Artists and their work. The Year 13 course consists of one internally set skills based unit focused on a personal investigation and one externally set examination unit. The examination unit cements your learning and assesses your understanding through the creation of a smaller portfolio of work under a title set by the exam board.

### Course Content:

Over a series of exciting and challenging projects you will be taught how to look at materials creatively and how to create visual solutions to set briefs from a variety of disciplines including:

- 2D and 3D drawing techniques
- Painting
- Mixed Media
- Printmaking
- Digital Media/Photography

### The Future...

Progression onto an Art Foundation or Creative Degree are popular pathways. Other students use the skills that they have developed to access a wider range of courses and careers in the creative industries. These have included architecture, fashion, theatre design and set design for film.
