

Printing from iOS Devices

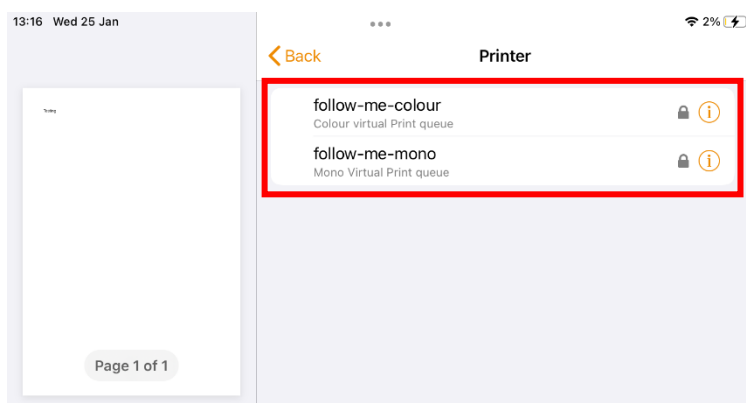

Printing on an iPad

Please ensure you are connected to the school WiFi.

1. Open the file you wish to print
2. Select the **Share** Icon. This can be 3 dots in the right corner of the screen, the blue box with an arrow or the grey arrow.
3. Click the **Print** option.
4. You will now be asked to select which printer you wish to use.

5. By selecting **follow-me-colour** or **follow-me-mono** will allow you to print in either colour or black & white.

6. Once you have selected your printer you will be asked to login. This is the same username and password that you login on to any school computer. I.e. 18Roberts1567.
7. You will then be taken back to the print preview page, now with the printer displayed. Once the settings are correct select **Print**.
8. Your printing is now waiting at the printer to be released. Any Follow-Me printer around school will allow you to release your printing.
