

Embrace Challenge Celebrate Progress

Welcome to Year 7 at Sutton Coldfield Grammar School for Girls

-  Effort leads to growth
-  Learning is a journey, not a race
-  Mistakes are not failures, they are steps toward success
-  Curiosity is just as important as answers
-  Aiming high lifts everyone

You are here to **grow**, to **aspire**, and to develop **not just in the classroom**, but in **confidence, integrity**, and **resilience**.

✨ Every question you ask, every challenge you take on, and every small step forward, it all counts. ✨

**This is your beginning.
Make it bold. Make it yours.**
