

October 2021

Dear Parent/Carer

GCSE Science Revision Guides and Workbooks

With Year 9 students having started their GCSE courses in Biology, Chemistry and Physics, we are offering the opportunity to order GCSE revision guides and workbooks through school. It is not expected that you will purchase these resources but for those who are interested, we thought it would be helpful to pass on the discounts available to schools.

Students in receipt of Free School Meals (FSM) will be exempt from payment and financial assistance forms are available from the Business Office for consideration of other financial support. Please complete and return the order form to the Business Office, indicating whether you have paid online, are entitled to Free School Meals or are applying for financial assistance. The deadline for ordering and payments is **Thursday 21st October 2021**.

Yours faithfully

Mrs C James (Deputy Headteacher)
