

# Sutton Coldfield Grammar School for Girls

October 2021

Dear Parent/Carer

Due to the level of practical work undertaken at A level and the chemicals involved, it is a requirement for all Year 12 and 13 Chemistry students to have their own lab coat which must be brought to all Chemistry lessons.

An opportunity has arisen for the department to purchase a bulk order of lab coats for the reduced and very competitive price of £12.75. These will be standard unisex lab coats with the school logo embroidered above the top pocket, along with the school initials embroidered in red below the Tudor Rose.

If you would like your daughter to purchase one of these lab coats from school, please complete and return the reply slip indicating your method of payment. Students in receipt of the 16-19 Bursary should speak to Mr Charles regarding payment. Financial assistance forms are available from the Business Office for other consideration for financial support. The preferred method of payment for the lab coats is via our online payments system. Cheques are still accepted but we are unable to accept cash. Please complete and return the reply slip to the Business office, indicating whether you have paid online, are enclosing a cheque, receive the 16-19 bursary or are applying for financial assistance. This should be presented in a sealed envelope labelled with your daughter's name, form and the title 'Chemistry lab coats' to the Business Office **no later than Monday 11th October**.

Yours faithfully

Ms J. Boyle

Head of Chemistry

I would like my daughter to purchase a chemistry lab coat in size S M L XL

I enclose a cheque for £12.75	<input type="checkbox"/>	I have paid £12.75 online	<input type="checkbox"/>
