## BIMM Summer Schools

**Calling all guitarists, bassists, drummers, vocalists and aspiring producers: Create and connect with like-minded musicians, singers and producers at our fantastic summer schools.**

Each year at BIMM, we run a range of summer schools for musicians & producers aged 11-17 looking to develop their technique, their confidence as live performers or simply to just have fun. So, if you're a guitarist, vocalist, bassist drummer, or producer, a BIMM Summer School is a great way to spend your break.

We run a variety of courses for all genres and tastes in music, so whether you love indie, pop, R&B, rock and metal or electronic music, there's a summer school for you.

### **Each summer school is a five-day week and consists of:**

- dedicated tuition for your chosen discipline
- live performance workshops on stage for performers
- access to music software and hardware for producers to hone your skills
- a different special guest each day

### **What are you waiting for?**

Summer School Fee: £299\*

*\*For each of our courses there will be a BIMM Summer Schools Participation Bursary available to cover course fees, as well as travel, lunch and access to instruments where needed, for eligible students.*
