Chemistry Review

Dear Parent/Carer

An opportunity has arisen for the Chemistry department to offer students a year's subscription to the 'Chemistry Review' journal. This is aimed at A level students who are seeking to achieve a grade A or A* in Chemistry. It is full of interesting articles and helps to broaden students' knowledge and understanding of Chemistry.

The cost is £15.00 for the 12 month subscription which will involve four editions. In order to secure a subscription, payment will be online via the Scopay app or website. If your daughter is in receipt of the bursary or you are applying for financial assistance, please also go online and in the comments box, explain that your daughter is in receipt of the bursary or that you are applying for financial assistance and a finance assistance form will be emailed to you.

The deadline for payments is Tuesday 11th October 2022.

If you have any queries, please do not hesitate to contact me.

Yours faithfully

Ms J. Boyle

Chemistry Department

Headteacher: Dr Barbara Minards
