## Chemistry Lab Coats

Dear Parent/Carer

Due to the level of practical work undertaken at A level and the chemicals involved, it is a requirement for all Year 12 and 13 Chemistry students to have their own lab coat which must be brought to all Chemistry lessons.

An opportunity has arisen for the department to purchase a bulk order of lab coats for the reduced and very competitive price of £12.75. These will be standard unisex lab coats with the school logo embroidered above the top pocket, along with the school initials embroidered in red below the Tudor Rose. They are available in different sizes which can be selected when payment is made.

If you would like your daughter to purchase one of these lab coats from school, payment will be online via the Scopay app or website. If your daughter is in receipt of the bursary or you are applying for financial assistance, please also go online and in the comments box, explain that your daughter is in receipt of the bursary or that you are applying for financial assistance and a finance assistance form will be emailed to you.

The deadline for payments is Tuesday 11<sup>th</sup> October 2022.

If you have any queries, please do not hesitate to contact me.

Yours faithfully

Ms J. Boyle

Chemistry Department
