

Sutton Coldfield Grammar School for Girls

21st March 2023

Dear Parent/Carer,

Year 9 Robotics Challenge Regional Heats - RAF Cosford Museum

Wednesday 19th April 2023

As part of the Year 9 Robotics club, we are delighted to be able to offer students an opportunity to part in Tomorrow's Engineers EEP Robotics Challenge - Regional Heat on Wednesday 19th April. Students will take part in the following activities

- Robot speed challenge
- 3-5-minute presentation about an engineering solution to a humanitarian aid problem
- Produce solutions to as many of the tasks on the mat as possible.

Two of our Computer Science sixth form students will also accompany us on the trip, and the costs of the trip are being met by school in acknowledgment of students' commitment to the Robotics Club throughout the year.

Travel to and from the RAF Cosford Museum will be by coach.
We will leave school at approximately 8.00am and return by 4.00pm.

Where students usually have spare medication kept in school, they should have their medication *with them* while on a school trip (eg inhaler, epipen etc).

If you would like your daughter to take part in this activity, please complete and return the reply slip to me by Monday 27th March. If you have any queries, please do not hesitate to contact me

Yours faithfully,

Mr N Opong (Head of Computer Science)

Year 9 Robotics Challenge, RAF Cosford Museum - Wednesday 19th April 2023

I give permission for _____ in Form _____
to participate in the above trip

Parent/Carer Name: _____

Signed: _____ Date: _____

Reply slip to be returned to Mr Opong by Monday 27th March.
