

Sutton Coldfield Grammar School for Girls

October 2023

Dear Parent/Carer

Year 12 - CGP Biology and Chemistry A-Level Textbooks

To supplement the resources used in school, some students find it advantageous to purchase their own copies of textbooks. CGP produce textbooks for the A-Level Biology and Chemistry courses taught at Sutton Girls and are available to buy through schools at a significant discount. It is not expected that parents/carers will purchase these resources but for those who are interested, we thought it would be helpful to offer the option of buying the reduced price textbooks for Biology and Chemistry through school.

If you would like to buy either or both science textbooks, payment is online via the Scopay app or website. The deadline for ordering is **Tuesday 7th November 2023**. For students in receipt of the bursary, you could choose to use some of your bursary payment to fund the textbook(s), please indicate this on the online order form.

Yours faithfully

Mrs C James (Deputy Headteacher)
