

# SIXTH FORM OPPORTUNITIES

## Cambridge Re:Think Essay Competition

The Senior Division invites students to engage deeply with challenging questions across moral, political, scientific, and philosophical fields. The goal is to develop clear, nuanced arguments and foster the kind of independent thinking and intellectual confidence that prepares students for university.

## Sociology: Masculinity & Contemporary Society

This session explores the cultural environments and activities associated with young men, connecting them to themes in Sociology. We'll examine how ideas of masculinity circulate through peer cultures and physical spaces, as well as what happens when those physical spaces shrink and disappear.
