

CAREERS - USEFUL WEBSITES

Exploring Careers and Opportunities

As a school we subscribe to Unifrog and all students in Years 9-13 will be given log in details so that you can build up your profile each year. This is the main website that you can use to investigate different subjects, careers, university courses and apprenticeships. It is also the website that you will use in school during Careers activities to log and record activities you take part in and the skills they have given you.
